Tasting Notes

Our premier-cru level wine, Marquette Reserve expresses the benefits of extra aging. Eight barrels of the 2022 vintage of Marquette were selected and set aside to age further in neutral oak, spending a total of 18 months in barrel.

Primary fruit aromas and flavors of cherry and raspberry are joined by notes of chocolate, tobacco and leather in this elegant, medium-bodied wine. The finish is long, smooth and tannic.

Ready to drink now, and will continue to age gracefully for at least 5 years.
