

# IAPETUS

Vermont Grown

Iapetus is more than the name of an ancient ocean that once covered the present-day Champlain Valley. Just as geology induces transition over time, Iapetus will serve as an evolution for us as winegrowers in how we pursue our working relationship with wine. It is a shifting of time, of scale, and way of thinking. We are not dogmatic in our principals, but rather endeavor to continually experiment, discover, and improve our stewardship of this storied land. In this way, Iapetus is just a slide in this continuous film, a photograph of a moment now and in the years to come.

## TERRANE

**Vintage** | 2022

**Varieties** | 85 % Petite Pearl  
15% Barrel Aged Marquette

**Alcohol** | 13.7

**Elevage** | Petite Pearl aged in stainless steel, marquette aged in neutral oak; unfined & unfiltered

**Tasting Notes** | plum, mocha, smoke

*Crafted from Petite Pearl grapes grown on our Mt. Philo vineyard plus a touch of our barrel-aged Marquette, Terrane is a study in the qualities of these cold-hardy varieties and the ways they complement each other.*
